September

What's Happening

Library Lady Susan- Every
3rd Wednesday

Roller Skating night- Every
3rd Friday of the month

Food Bank is on
Tuesday mornings
at 10:00 am

We are excited to begin our new year. Our goal is to provide a safe, creative, nurturing environment with sensitivity to each child's individuality.

This month's theme is "Getting to know you and each other". We will be sending home a poster board with instructions. Have fun doing this project with your child. Be as creative as you want to be. Every child will be presenting their board at circle time. We will be introducing ourselves and learning about each other's families, which includes our pets. 😊

Also, this month, we will be working on our routines and how we follow directions. Know that our learning centers are set up for our children's enjoyment and to promote social, emotional, intellectual and physical development.

As educators, we are role modeling manners, hygiene, sharing, problem solving and helpfulness, using creative curriculum as a tool. We appreciate you dressing your child in appropriate play wear and supplying extra clothing. This is important for the comfort and self-help skills that we are encouraging the children to learn. Blankets and stuffed animals need to go home to be washed at the end of the week.

Also, please bring in your school supplies if you have not done so already. Please note that if you still need to shop that we have enough regular glue and markers for now. Thank you for all your creative supplies for projects. They are fun and amazing!! Very excited about this school year!
